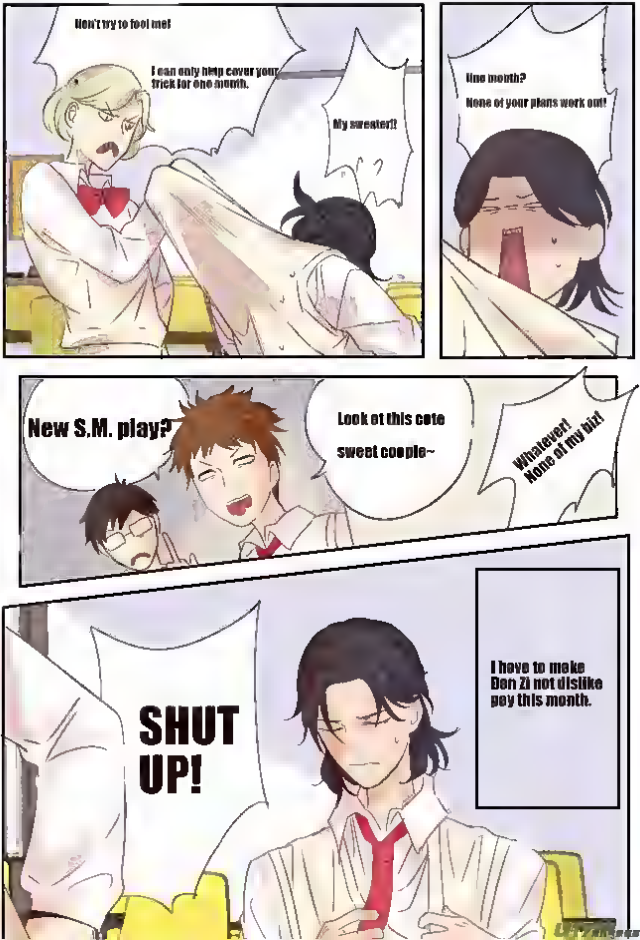
Can you leave me alone?

Hey you!
Are you still sleeping?!!
Get up!
What shit is in your mind!
So you are going to invite me a dinner?
Now the entire school knew I'm your girlfriend!
Thanks a million to you!

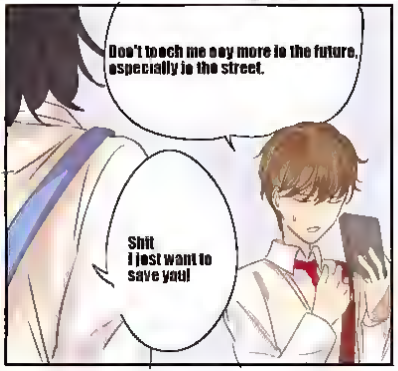


Don't try to fool me!
I can only help cover your trick for one month.
My sweater!!
One month?
None of your plans work out!
New S.M. play?
Look at this cute sweet couple~
Whatever! None of my biz!
SHUT UP!
I have to make Ben Zi not dislike gay this month.

Watch out!!!
Idiot!
Careful!

Look at those school boys!
There are quite many freak guys around these days.
Are they gays? Shame.. They look pretty cute.

Get off!



Don't touch me any more in the future, especially in the street.
Shit I just want to save you!

Anyways, watch your behaviors next time. I don't want to be misunderstood.

What?
Do you think I will like you, such a sissy?!!

What did I just say?
